

“I like that SPA is child centered. It’s clearly all about kids and their learning. Giving to the Annual Fund helps make the school the excellent community it is, and we want to support that all we can.

So many charities do good work, yet this pays for itself in multiple ways. At the end of the day, giving directly benefits every student and teacher at the school. There’s just no better return on investment than that.”

— Dr. Mrunalini Parvataneni, parent of Neel (grade 4) and Tara (grade 1)

“At SPA, I was taught how to learn and I found throughout college and now graduate school that it put me steps ahead of my peers. I give to SPA because I know that tuition does not cover all of the academic programs, nor the important extras. Hands down, SPA is an excellent investment and it feels good to give back to help the next generation.”

— Cack Ferrell '02, SPA Annual Fund donor since 2002, Princeton grad, current University of Chicago MBA candidate, accomplished athlete

WE KNOW OUR GIVING

“I give to the Annual Fund every year. It may not be much, but I want to be the kind of person who models individual responsibility within a community. I have tremendous confidence that every dollar is well used. As a teacher, I can very directly see the influence; with the right amount of financial aid, another child can attend. It’s a means of building community, and we all want to be part of a successful learning community.”

— Lucy Polk, English Department Chair, past SPA parent, longtime donor to the Annual Fund

WE'RE COUNTING ON YOU

TO PASS IT ON. Something at SPA resonated with you—a class, a teacher, a friend. Now you can help make a similar experience possible for another student, perhaps one just like you.

TO CONTINUE THE TRADITION. For 100 years, our alumni have made regular, yearly donations—some large, some modest—to improve and strengthen the school. It's a tangible way to affirm your connection.

TO SHARE THE COMMITMENT. We all play a part in SPA's success. The more individuals who contribute, the greater the impact we have.

NUMBERS MAKE A DIFFERENCE

- 1 out of 5 students receive financial aid. The Annual Fund helps make this possible.
- SPA would have to raise tuition and fees by \$1,200 per student to cover the dollars raised by the Annual Fund.
- Last year, 1 in out of 5 alumni gave to the Annual Fund—the highest level in years.
- Over the last 2 years, alumni participation has nearly doubled.
